SOURCE

No aircraft were observed at the RANGSDORF (N 53/Z 82) airfield. According to local residents, an air force unit of about two hundred men was stationed there. There had been no flying for several months.

25X1A [REDACTED] Comment:

Report confirms that the RANGSDORF airfield is not occupied by an air unit. According to previous reports, the air force unit is a technical unit of the ground organization. The numerical designation of the unit is unknown.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
